Dr. Morrison Is Dismissed By Supervisors

Board Is Unanimous On Health Chief's Dismissal

Evincing interest in securing the immediate removal of Dr. Harold E. Morrison as San Mateo county health director, the board of supervisors Monday adopted a resolution unanimously confirming the health chief's ouster by Executive Walter Kellogg.

Two members of the board, Supervisor Rosalie Brown, San Mateo, and Supervisor Manuel Francis, Half Moon Bay, had resolutions ready when the matter was brought up for supervisorial action.

The ouster was delayed for some half hour, however, while Deputy District Attorney Richard O. Bell prepared a resolution for the board.

Introduced by Brown

When it was ready, Supervisor Brown introduced the resolution and Dr. C. V. Thompson, Burlingame representative, offered to give a second from the chair. Bell advised, however, that some other member of the board give the second. It was then offered by Supervisor John W. Poole, Redwood City.

Before seconding the motion, Poole asked Bell if it now were certain that there would be no further legal loopholes by which Dr. Morrison might restore himself to the post as he had done twice previously. Bell advised that the course was clear.

The board then adopted the resolution unanimously.

Ella Chase of Lomita Park declared that the board had the public support in the removal of Dr. Morrison.

Peddicord Appointed

Over the objection of Supervisor Albert Witt, Colma, the board appointed Dr. Harper Peddicord of Redwood City as temporary director of health and welfare. He is chairman of the health commission. Dr. Peddicord will be on full pay of $400 per month.

Witt asked a delay of one week, but Supervisor Brown, who put the motion, saw no reason for not acting immediately. Witt then voted "no."

Kellogg had recommended the appointment of Dr. Peddicord.

Morrison in L. A.

Dr. Morrison could not be reached for a statement as to his future course. On two previous occasions he has taken his removal to the courts and been sustained. It was generally believed, however, that this removal would be binding, as Executive Kellogg is believed to hold the sole removal powers.

Attorney Joseph Bullock also could not be reached on Dr. Morrison's behalf. Dr. Morrison was reported to be in Los Angeles. He was served with the ouster before he left, Kellogg was informed by Deputy Sheriff Joseph Meeks.

Mansfield Asks $142 For Auto Damages

Albert Mansfield, city attorney of Redwood City, today sued Jeanette Stephens, title company employe, for $142.50 damages to his automobile as the result of a collision here on July 24, 1933.

Automobiles driven by Miss Stephens and Mansfield collided at James and Grand avenues. He is not suing for personal injuries. Mansfield's suit is a cross-complaint to one filed by Miss Shephens asking $16,750 damages.

Vegetable Dept. Is Taken Over By Louis Fanos

Louis Fanos today announced that he has taken over the fruit and vegetable department of the California Market and is now ready for business.

The market has been completely renovated and put in A-1 shape. New fixtures for the department have been built and will be installed in time for the grand opening today.

Fresh fruits and vegetables from the market as well as from local and nearby gardens will be on the stands daily.

Mr. Fanos came to Redwood City about three years ago from the San Joaquin valley. He has been in the fruit and vegetable business for eight years in this section of the state.

Merriam, Governmental Expert

The people of the State of California are vitally interested in the final outcome of the gubernatorial contest to be decided on November 6th. This vital interest is founded upon the somewhat peculiar and abnormal conditions surrounding this contest. The camouflage and smoke screens thrown up by both sides have created a blur upon the true value and meaning of this important election. The qualifications of the leading candidiates have been lost through prejudice, attaçks on religion and other issues and further attacks upon one or the other of the candidates as being reactionaries, ultra-conservatives or inane theorists. It is the purpose of this article to discuss the qualifications of the man who is most admirably fitted for the office of governor and not to make attacks upon different stands taken by his opponents.

Acting Governor Frank F. Merriam, is THE man who possesses the qualifications to be governor and to guide the destinies of this state through the trying period which it undoubtedly faces in the near future.

Governor Merriam has a long and distinguished career of legislative activity in this state. In 1910 he was elected to the California Assembly as assemblyman from Long Beach and held that position in the capacity of assemblyman until the year 1916. In 1916 he was elected to the position of speaker of the assembly, holding that office until 1922. In the year 1922 he was elected to the California State Senate, being senator until 1924; from 1924 to 1930 he held the position of president of the senate until in 1930 he was elected to the office of lieutenant governor, acting in said capacity, hand in hand with Governor Rolph until 1934, when in June of 1934 he became acting governor, upon the sad demise of James Rolph Jr.

With his usual courage, Frank F. Merriam took control of the reins of government an dguided this state safely through the most severe and trying set of circumstances that this western half of the United States has ever witnessed. The apex of his courage and understanding came with his calling of the militia into action during the general strike in San Francisco; this one forceful action brought about a quick settlement of this tremendous problem and this act standing alone would be a firm basis upon which to rest his election on November 6th.

The legislative record of Acting Governor Frank F. Merriam demands that he be placed in the highest executive position that the State of California can offer, in order that his fine work be continued and in order that the best interests of California be served in the most efficient and praiseworthy manner.

Office Building Badly Needed

[EDITORIAL]

Immensely important even though overshadowed by the fight for California's gubernatorial chair, the $112,000 bond issue before the voters November 6 for a San Mateo County Office Building should receive active attention and campaigning in the final week before election.

The office building will be located at the corner of Marshall street and Middlefield road on property now owned by the county. The cost of the building will be $153,000, of which $41,000 will be contributed by the federal government and the remainder, $112,000, will be raised by bonds.

San Mateo county needs the office building because it now is paying $3420 in rentals for offices crowded outside the court house. This $3420 could be applied toward the retirement of the bonds and at the end of a few years, the building would be paid for and San Mateo county would have a building of lasting benefit instead of merely a pile of rent receipts.

Some of the space required that the present courthouse does not provide includes offices for the superintendnt of schools, purchasing agent, county engineer and road department recreation commission, building inspector, department of social service, county library, fire warden, health director, public administrator, coroner, justice of the peace, and supervisors.

This list of offices will grow as county business increases and each new office outside the courthouse will mean more rents to pay. It looks to us like good economy to apply present rentals to help retire the bonds and eventually wipe out this expense. If we act now the $41,000 offered by the federal government will be ours or we can refuse it and dig up the extra cost from our own pocketbooks at some future day.

ATHERTON IN LIVELY DEBATE OVER HEIGHT OF TOWN FENCE

Before long a new fence will be built along the south-west side of Atherton's tidy little town hall. But whether that fence will be five feet high, or six, or even a giddy seven will be determined by the interplay of powerful forces now rampant in that community of blue-stockinged wealth.

The issue was starkly drawn late yesterday afternoon when Winfield Scott, a descendant of the noted general of similar name and a property owner whose residence adjoins the town hall, appeared before the council to say that it would be a nice thing indeed if the fence were built to a height of seven feet.

Mayor J. A. Donohoe replied that the council had agreed to go as high as five feet and not an inch more.

So there it was right out in the open. And there was Winfield Scott, and there was the town council, both divided by a matter of two feet of fence. As clear-cut an issue as Atherton has witnessed in many a moon.

Before the meeting adjourned there was some indication that the council and Scott might meet at a common elevation of six feet. But the inflexible Donohoe made it clear that the extra foot would be paid for by Scott at a cost of approximately $20. Scott retired with the statement that he would take the matter under advisement.

The respective merits of five, six and seven foot fences were debated with something that smacked almost of asperity, and in the sedate Atherton Town Hall, of all places. Mayor Donohoe, who is a tall man, said he couldn't see over a five foot fence, and doubted if Councilman C. H. Merrill, who is also a tall man, could see over a five foot fence. Winfield Scott didn't say whether or not he could see over such a fence, but said that he could put one hand on it and jump over. "That's because you're athletic," Mayor Donohoe pointed out.

So stands the great fence controversy at the present time.

There was very little else beside the fence question that stood between the councilmen and their dinners. Town Clerk Thomas G. Packham reported the receipt of $917, representing Atherton's apportionment of 1934-35 state taxes on stocks, bonds and solvent credits. October fines collected in the police court were announced at $70, and building permits at $17,255 for the same period.

The average span of life is now four years greater than it was 50 years ago.

Ferrell Able Attorney His Record Shows

San Mateo county is virtually interested in the man to be elected to represent the legal department of the San Mateo county government. Not only must qualifications be considered but two other essential elements must be present in order that the man selected be a truly representative prosecutor and county attorney; those elements being experience and personality.

Mr. Ferrell's qualifications are unconditionally sound. He is the respected member of the San Mateo County Bar, having graduated from Stanford University some 26 years ago. He has had 26 years of highly successful practice colored here and there with legal controversies of great importance, perhaps the most outstanding being the famous Lomita Park Tax Assessment case which he successfully pleaded before the supreme court of this state in 1924. The favorable decision resulting from his meritorious arguments resulted in a $400,000 saving for the taxpayers of Lomita Park in that street paving controversy.

The personality which of necessity must be a part of the district attorney is an essential characteristic of Mr. Ferrell. This is exemplified by reason of his being the attorney for the Carpenters Hall Association, the largest union association in San Francisco during the period of the last 15 years. He is past president of the San Mateo County Bar Association.

The requirement of experience is fully satisfied by Gilbert D. Ferrell by reason of the fact that for the past 26 years every one with whom he has come in contact has expressed implicit faith in this man's courage and fair dealings. The voters of San Mateo county could well afford to place the destinies of a district attorney's office in such honorable and capable man.

DAIRIES URGE MILK CONTROL

Pasteurization Within County Requested

San Mateo county dairymen Monday appealed to the board of supervisors to adopt a new ordinance requiring pasteurization of outside milk within the county before permitting its distribution.

The milk dealers were represented by Attorney D. P. Convery of Daly City.

Convery said that milk wars, such as one during recent days when the price was cut to 3 cents a quart, would be avoided. He laid these wars to San Francisco dairy interests, who are permitted to bring their product into this county without pasteurization here.

San Mateo county, however, is not extended the same privilege by San Francisco.

The board gave its support to the proposal and upon motion of Supervisor Manuel Francis, seconded by Supervisor Rosalie Brown, ordered the matter referred to District Attorney Edmund Scott for a report.

Belle Haven Post Elects New Officers

Belle Haven City Post No. 472 of the American Legion at its first meeting conducted by the new staff of officers for the ensuing year completed its organization by electing as delegates to the San Mateo County Council of the American Legion: Grover C. McCoy and Charles A. Syverson; member of the United Veteran's Council, Frank R. Helm and to the executive committee, George E. Porter and Charles E. Stocker.

The post commander appointed as committee chairman, service officer, Thomas J. McParland; child welfare, Paul S. Fleischer; entertainment and athletics, Charles E. Stocker; refreshments, Charles A. Syverson; visiting, Charles M. Doss, and post publicity, George A. Evans.

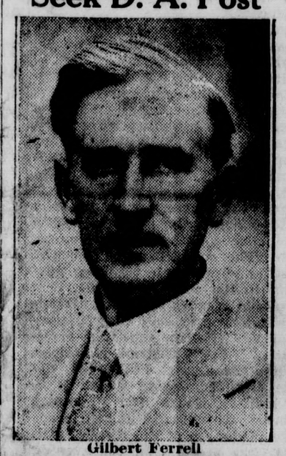
'Sam's Market' Has Opening at 911 Main Street

Announcement of the opening of "Sam's Market" was made today my Sam Fanciullo, proprietor. The new market is located at 911 Main street.

He has been in the fruit and vegetable business for the past 15 years and is thoroughly experienced in all phases of buying and selling.

He will make a speciality of fresh fruits and vegetables direct from the market daily.

Seek D. A. Post



Gilbert Ferrell

Edward Hoffmann

Here are the two candidates for district attorney of San Mateo county: Gilbert Ferrell (upper) and Edward Hoffmann. There is a spirited interest in this contest to pick a successor to Edmund Scott, present district attorney, who declined to seek re-election.

Hoffmann, D. A. Candidate, Able Young Attorney

Edward Hoffmann, the young lawyer of San Mateo, who is aspiring for the district attorneyship, is fair, honest and capable, and qualified by training and experience. Mr. Hoffmann has many admirers in the county who are giving him wholehearted support.

Mr. Hoffmann is a Stanford graduate and for several years has practiced his profession in San Mateo county. He would fill the office creditably if elected.

Brisbane Bus Line Permit Is Rejected

The railroad commission today denied the application of L. H. Breese for a certificate of public convenience and necessity to operate a passenger bus service between Brisbane, San Mateo county, and the city limits of San Francisco.

The denial was based upon the fact Breese has been operating an unlicensed and unauthorized common carrier service since March 5, 1934, he having originally applied for and secured a license from the state board of equalization for an on-call service. In spite of being advised by the railroad commission he neglected to secure a certificate from this commission during the eight months of his present operation.

An application for a certificate having in the meantime been filed by Richard & Moore, the opinion of the commission held that there was no evidence of need for two services and that Breese was "not entitled to be considered as a preferred petitioner by reason of the fact that he has operated illegally for the past eight months under a so-called board of equalization permit," and that the Richards and Moore application for a certicifate would be granted.

Belmont to Start Clean Up Campaign

BELMONT, Oct. 31.—A clean-up campaign will be under way in Belmont under the auspices of the Belmont sanitary board on November 26. Sewers will be installed near O'Neil avenue and the Old County road, near the Christian Manzani property and in the Swift estate on El Camino Real. The work will

Baden Kennel Club Will Close Saturday

Baden Kennel Club of South San Francisco will close its greyhound racing meeting tomorrow night after 33 nights. The club, which limited its spring meeting to 32 days, will have been open 65 nights for the entire year, a record for dog racing clubs in California.

Hartley Trial Is Concluded

Fight Over Educator's $40,000 Trust Fund Up to Court

Superior Judge Maurice T. Dooling Jr., of Hollister, sitting here, Tuesday had taken under submission the efforts of relatives to break a $40,000 trust created by the late Mrs. Jennie E. Hartley, Redwood City teacher. The case was presented to the court after eight days of hearing.

It was revealed at the final sessions yesterday afternoon that the relatives, Birdie and Dollie Bacon and J. B. Bacon, first cousins, have agreed to distribute one-fourth of the trust, if broken, to Sidney Williams, foster son of Mrs. Hartley, Edmund Scott, one of the attorneys for the Bank of America, reported.

The bank is defending the trust, which provides that the income is to go toward a Hartley scholarship. Relatives contesting the trust contend that Mrs. Hartley was under the influence of Carl Wagner, former branch bank manager, when the agreement was drawn up. Wagner's two children were to secure the income until their education was completed.

Scott credited Attorney Don C. Barrett with revealing that Williams will share in the trust if it is broken.

Marjorie Heiry In Leading Role Of New Operetta

With the production of "Margie Goes Modern" as one of the three operettas to be given at the Sequoia high school auditorium Saturday night, Otis M. Carrington, Sequoia instructor and composer, is presenting his most recently published operetta to the public for the first time. This is the twenty-eighth he has published, and most of these plays have been given their first production at Sequoia.

Names of characters in his operettas are usually decided by the students who are the first to take the roles in them at Sequoia, Mr. Carrington says. Numerous Redwood City people who as Sequoia students appeared in Mr. Carrington's productions have lent their names to characterizations which are still being given in many schools throughout the country.

In "Margie Goes Modern," a humorous story of the trials of an art student in a contest, Marjorie Heiry will play the leading name role; while the parts of Helen and Janis are being taken by Helen Da Mant and Janis Hildebrant respectively.

Others in the cast are Carol Shugert, Lorraine Jacobsen, Elizabeth Owen, Beatrice Maranta, and Nancy Crockett; while a chorus of art students is composed of the following: Jean Argo, Dorothy Becker, Joyce Burns, Tiny Da Mant, Dorothy Fodrea, Elizabeth Frink, Josephine Garland, Mary Morrish, Kay Kalenborn, Margaret Morrish, Ruth Rhoda, Phyllis Rose, Leona Stone, Doris Walton, Phyllis Walton, and Carol Woodhams.

Two other operettas, "Treasure Chest" and "The Dizzy Baton," will be given the same evening, all by Mr. Carrington's advanced students and members of Treble Clef. Tickets for the performance are now on sale at 25 cents each. Proceeds will go toward further productions by the choral classes at the high school.

Hatfield in Appeal For Huge Majority

George J. Hatfield, candidate for lieutenant-governor, in a state-wide radio broadcast last night, appealed to the voters of California to pile up a tremendous majority for constructive government at the election next Tuesday.

Hatfield was optimistic about the success of his candidacy at the polls, but warned against over-confidence on the part of the voters.

"California must not stand still or slide backward," he said, "we must move forward to a new day with new progressive policies.

Coast Sewer Project Wins Board Approval

The board of supervisors today approved a San Mateo county emergency relief project for improvement of the sewer systems of Moss Beach, Granada and Montara at a cost of $13,352.

Motion for approval was made by Supervisor Manuel Francis, Half Moon Bay.

With a population of more than 6,100,000. Portugal has only about 5000 radios operating in the country.

Bayshore Underpass Widening Included; Coast Wins Funds

Five road projects in San Mateo county today were awarded $735,000 of federal funds apportioned to this state and distributed through the California Highway Commission.

Gov. Frank Finley Merriam, who announced the funds, said that work will be speeded in order to keep men employed during the winter months.

Chairman Harry A. Hopkins of the California Highway Commission reports that bids will be opened and contracts awarded within a short time.

Two of the five projects are for work on El Camino Real through Daly City and San Mateo.

The first calls for grading and paving of Mission street in Daly City from Colma to the junction with San Jose avenue, a distance of 1.2 miles.

The second calls for grading and paving between Third avenue and Crystal Springs road, San Mateo, together with the construction of a new bridge over San Mateo Creek.

Underpass Widening Set

Widening of the South San Francisco underpass on the Bayshore highway, one of the most serious hazards of the high-speed thoroughfare, is another project which has been approved.

The San Mateo-Half Moon Bay road will receive part of the funds to provide a modern-standard highway to Half Moon Bay for a distance of 2.7 miles.

Finally, the Ocean Shore highway between the Skyline boulevard and the junction of Alemany and Junipero Serra boulevards, near San Francisco, is to be graded and paved for a distance of 1.6 miles.

Row Over Football Sends Two to Court

SAN MATEO, Oct. 29.—An innocent street game of football sent one man to the hospital here yesterday and the same man and a woman to a police hearing today.

A group of boys, playing on Sixteenth avenue yesterday, accidentally kicked a football into the yard of Mrs. Mary Jones, 142 Sixteenth avenue. According to the story told by police, Mrs. Jones hid the ball. Then J. Zurich, who lives next door at 138 Sixteenth avenue, and who was watering his lawn, turned the water on Mrs. Jones. Mrs. Jones then hit Zurich with a shovel, it was said.

Zurich was treated at Mills Memorial Hospital for bruises and confusions. Today he and Mrs. Jones appeared before Police Judge Louis F. Kinnell, where things were settled amicably.

Hetch Hetchy Water Flows As Ceremony Marks Release

Water which cost $100,000,000 to obtain flowed past Redwood City today through San Francisco's municipally-owned mains, marking the completion after 25 years of the Hetch Hetchy water and power project.

The floodgates of a dam high up in the Sierras were opened Sunday to release the mountain water into a series of pipe lines extending 170 miles to San Francisco. The line crosses the bay at Dumbarton point south of Redwood City and continues west of here up the peninsula.

Secretary Ickes Speaks

Simultaneously a public ceremony was held marking the completion of the gigantic undertaking. Secretary of Interior Harold Ickes was the principal speaker. Mayor Angelo Rossi, Daniel C. Murphy, Supervisors Havenner and Coleman and other public speakers of San Francisco also spoke.

Ickes stressed the importance of conserving natural resources, especially oil and gas, in California. Destruction of such resources, the new dealer said, has cost the nation a tremendous sum.

Advocates Conservation

"Before the country is through the taxpayers will be called upon to expend billions of dollars to make good the ravishment of our forests, the destruction of our surface soils, the pollution of our waters and the wasteful exploitation of our oil fields," the secretary said.

Before the speaking program was completed, the first of a daily supply of 150,000,000 gallons of water roared through a flume into Crystal Springs reservoir, scene of the celebration. The program was interrupted as scores rushed to the brink of the dam to get the first taste of the new water. Mayor Rossi knelt on the bank and filled a cup which he handed Ickes. A dog came near for a drink but the roar of the flume frightened him away.

Water for Four Million

Eventually the Hetch Hetchy water system will provide San Francisco with 400,000,000 gallons daily from its 87 billion gallon capacity. The supply is considered adequate for a population of four million persons.

One person largely responsible for bringing mountain water to San Francisco was not present. He was City Engineer M. M. O'Shaughnessy, who died only a few days ago, just as his greatest work was being completed. A medal was awarded him posthumously.

The ceremonies were attended by 22,000 persons.

Robbiano Is Taken To Ukiah Hospital

Peter Robbiano, 56, Menlo Park gardener, who kidnaped a service station attendant and held at bay several members of the staff of the Community Hospital last week, was taken to Ukiah Monday to the state hospital after committment by Superior Judge Maxwell McNutt.

Deputy Sheriffs Joseph Meeks and Floyd Glennan made the trip to Ukiah.

STARS OF 'BRITISH AGENT'

Leslie Howard and Kay Francis (pictured above) are the stars of "British Agent," playing at the Fox-Sequoia Theatre tonight and Saturday. "The Richest Girl in the World," with Miriam Hopkins, Joel McCrea and Fay Wray is the second feature on the Sequoia bill.

Gland Is Cause Of Baby's Death

Death of 2-month-old Patricia May Hansen of San Mateo Sunday night was not due to suffocation, as was first believed by her parents, Mr. and Mrs. Leonard L. Hansen, but was caused by improper functioning of the thymus gland, it was determined from medical testimony given at an inquest held here this morning at the Layng & Tinney mortuary by Dr. J. C. McGovern, coroner.

The infant, a grandchild of Mr. and Mrs. W. W. Thompson of Redwood City, was found dead in her crib at San Mateo by her mother, the former Miss Helen Thompson. The coroner's report indicated death was due to natural causes.

It requires 60,000 narcissus blooms to weigh a ton.

Syer Halts Trial In Gilroy Murder

SAN JOSE, Oct. 30 (UP)—Judge R. R. Syer halted the murder trial of Bernice Beauchamp Pickerell today pending a meeting of the insanity board.

"Certain matters of illegal nature in connection with this case must be considered," Judge Syer said, as he halted selection of a jury to try the girl on charges of murdering her father, Robert Beauchamp, in his Gilroy home.

Judge Syer's action left court attaches to believe the girl will be adjudged insane and committed to an institution without further trial.

Dairying recently became an important industry in Harrison county, Kentucky, with the establishment of a community creamery and cheese factory.

MENLO PARK

Thomas McIntyre, a former well-known resident of Menlo Park, passed away in San Francisco last week at the age of 84 years. Many years ago he had charge of the C. W. Smith estate and while there gained a state wide reputation as a chrysanthemum grower, winning many prizes at the flower shows held on the peninsula. He is survived by a number of grown children.

The meeting held at the school auditorium under the auspices of the Junior Republican Club Tuesday evening was largely attended. Colonel Winfield Scott ably explained the amendment to be voted for next Tuesday.

Colonel Walter Scott Smith will speak for Governor Merriam over station KQW this evening. Mr. Smith is an able speaker and a great admirer of the governor. Listen in tonight.

Mrs. Gertrude O'Kane, wife of James D. O'Kane, the insurance broker, passed away at her home on Oak Grove avenue last Monday following a lingering illness. The deceased was born in Nevada but spent the greater portion of her life in California. Mrs. O'Kane was a woman of many accomplishments, a splendid entertainer and generous to a marked degree. After her marriage in San Francisco to Mr. O'Kane many years ago the deceased came to live in Menlo Park where she endeared herself to a wide circle of friends. Mrs. O'Kane was beloved for her many good traits of character and for her numerous deeds of kindness to those in distress. To know her was to love her. She did not display her acts of charity, being contented to give unostentatiously without praise or commendation from anyone.

On Wednesday morning a solemn requiem mass was celebrated for the repose of her soul in the Church of the Nativity. Interment was in Holy Cross Cemetery, Colma, where all that was mortal of a noble woman was laid to rest with her departed relatives who had gone before.

Eighteen members of the Junior Christian Endeavor Society of the Menlo Park Presbyterian Church gave a Halloween party at the social hall of the church last Monday night. Mrs. H. H. Bearce and her daughter, Miss Ssther Bearce, had charge of the games and refreshments.

Mr. W. H. Weeden, who has been very ill for the past two weeks, is able to be out again.

Mrs. C. S. Devol and Mrs. Leon French, senior and junior past presidents of the American Legion Auxiliary, will be hostesses at a house warming party at their new clum rooms at 1057 Doyle street Monday night.

D. E. O'Keefe attended an important called meeting of the San Mateo County Central Republican Committee at Burlingame Monday night. The committee has pledged itself to support Merriam for governor in the coming election.

Isabelle Weeden Lindquist attended a luncheon in Daly City Monday given by Catherine Foreman, president of the 8th District, American Legion Auxiliary. Plans for the first district meeting which is to be held in South San Francisco Monday, November 5 at 8:15 p. m., were made. All of the district officers were present. In the evening Mrs. Bertha Brady, president of the San Mateo County Council of the American Legion Auxiliary, was hostess to her county council officers at her home in Burlingame. Plans were made for county council activities for the year.

Former Mayor Cue of Livermore spent a day with his friend W. H. Weeden last week when the latter was ill.

The local P.-T. A. has commenced serving hot lunches to the children. This wonderful work is carried on under the supervision of Mrs. Floyd Beach who made such a success of the project last year.

The many friends of Miss Ruth Johnson who had an emergency appendicitis operation last Wednesday are glad to know she is well on the road to recovery and will soon be strong enough to return to her home on Cambridge avenue.

A. F. Poulter, superintendent of Bear Gulch Water Company, is attending the California section meeting of the American Water Works Association being held this week at Long Beach.

Monroe Death Held Accidental By Jury

To accidental asphyxiation was attributed Tuesday by a coroner's jury the death Thursday in San Carlos of Berton A. Monroe, 69, who was found dead in his automobile in the garage of his residence.

Carbon monoxide poisoning from fumes of the car's motor was given as the cause of Monroe's death. The inquest was conducted by Coroner J. C McGovern at the Layng & Tinney mortuary here this morning.

Dr. Thompson Deserves Return

[EDITORIAL]

Out of the health circle dispute Chairman C. V. Thompson has emerged with the respect of a great following of citizens who recognize that there is dire need of a change in the present management of the department of health and welfare.

Dr. Thompson did not stop to ask what the cost would be for himself politically if he signed the charges against Dr. Harold E. Morrison, health director. He was aware that here was a situation that demanded correction and whether or not it meant his election or defeat November 6th was not considered. The board chairman did consider the harm that would come to the county-owned Community Hospital, the danger to the patients there over continued wrangling, and the adverse publicity to his county. He acted when others hesitated.

It was this exercise of leadership that has put Dr. Thompson to the forefront in other crises which the county has faced. In the turmoil over the charter introduction when a recall against the so-called "Big Four" was threatened, the board turned to Dr. Thompson, then the lone outsider, and asked that he take charge. He corrected the situation at once and gave the board the leadership that was needed.

Dr. Thompson was from the earliest one of the staunchest supporters of the charter and his efforts to smooth its way did not make him popular with the politicians. It was the will of the people at that time and Dr. Thompson sought to follow that will.

It seems to us that Dr. Thompson has demonstrated where he stands in regard to the public wishes and ought to be retained in office November 6th.

Mrs. Brown Has Served Well

Mrs. Rosalie Brown, candidate for supervisor, has served the people of the second township for many years on the board of supervisors. By experience and ability she is a valued member of the board and ought to be retained.

Mrs. Brown is honest and fearless, always battling for the taxpayer and for the people whom she has faithfully served.

This tried and true official should be kept on the board.

Mrs. Brown's position in opposing Dr. Morrison, the county health officer, has won her many friends throughout the county. Mrs. Brown was instrumental in having the doctor ousted from office.

Merriam Strong In Burlingame

NEW YORK, Oct. 30 (UP)—The Literary Digest today made public returns from five more cities in its test poll of California sentiment in the race for governor.

Upton Sinclair, the Democratic candidate, was still running far behind Gov. Frank F. Merriam, who thus far has maintained an actual majority of votes over the other four candidates.

Ballots on the three leading candidates as announced today were:

San Francisco—Haight 1800, Merriam 13,232, Sinclair 5545.

Santa Ana—Haight 199, Merriam 337, Sinclair 122.

Burlingame—Haight 50, Merriam 353, Sinclair 106.

Glendale—Haight 163, Merriam 964, Sinclair 345.

San Bernardino—Haight 31, Merriam 520, Sinclair 244.

Totals—Haight 2243, Merriam 15,606, Sinclair 6362.

Gypsum from Nova Scotia is used in large quantities as a fertilizer and moisture retainer on peanut farms in Virginia.

New Friendly Indian Group Is Organized

Because of the demand on the part of boys from the Central grammar school, the local Young Men's Christian Association Monday afternoon organized the Aztec Friendly Indians. Norbert Lambert will be the leader of the tribe.

Sixteen boys were present to sign the initial roll. Roy A. Hohberger, local Y. M. C. A. secretary, told the boys about activities under the Friendly Indian program.

The club is open to all boys of the school from 8 years of age on up. Its meetings will be held each Monday afternoon at the school at 3:30 p. m.

Holdup Man Takes $6 From Newsboy

HILLSBOROUGH, Oct. 30.—Gilbert Starrat, 1701 Carmelita avenue, Burlingame, a newsboy, reported to police last night that he had been held up and robbed of $6.

He described the holdup as being about 25 years old and using a blue pistol.

SEWAGE PLANS APPROVED

BURLINGAME, Oct. 30.—Plans for Burlingame's $140,000 sewage disposal plant were finished today by City Engineer C. M. Thomas. They will be submitted to state PWA engineers for final approval.

HERE IS WHY!

DR. C. V. THOMPSON

SHOULD CONTINUE AS

SUPERVISOR

SEVEN OF MANY REASONS . . .

1. Experienced and Capable.
3. Meets Issues Intelligently, Fearlessly.
2. Loyal to the People.
4. Keeps His Promises.
5. No Political Entanglements.
6. Liberal, Progressive and Fair.
7. Gets Things Done.

DOESN'T THIS STRIKE YOU AS WORTH CONSIDERING?

That Three of Five Members of Burlingame's City Council, Including the Mayor, Openly Endorsed DR. THOMPSON, Despite the Fact His Opponent Is a Member of That Council. These men, in a Position to Know, Gave as Their Reason—

"DR. THOMPSON IS FAR BETTER QUALIFIED"

"X - FOR DR. THOMPSON TUESDAY INSURES YOU AGAINST - XX"

HATFIELD

LIEUTENANT GOVERNOR

Vigorously Opposed to the Communization of California Business, Labor and Industry

Pledged to a 30-Hour Week for Labor, a Uniform Federal Pension System for the Aged and a New Deal of Absolute Equality and Fairness in Taxation.

A Practical Farmer with a Practical Knowledge of Farm Problems

"I do not intend to play politics with human misery and despair by making sweeping promises that I will miraculously end unemployment and accomplish business recovery. The task of reconstruction and re-employment is not a one-man job; it is a tremendous task which calls for a new spirit of co-operation and unity of purpose on the part of public officials and citizens alike. To that task I will give the best that is in me."—GEORGE J. HATFIELD.

PROPOSITION NUMBER 7

STATE CIVIL SERVICE

VOTERS OF CALIFORNIA!

CALIFORNIA'S PROSPERITY, LAW AND ORDER DEMANDS SANE ENFORCEABLE LIQUOR REGULATION. THIS STATE HAS NO USE FOR THE VICE, GRAFT AND CRIMES OF PROHIBITION

Here Are The Facts on Two Vital Measures:

YES
PROPOSITION 2

Legalizes the sale of beer, wine and liquor in reputable restaurants, dining rooms, clubs and other legitimate eating places.

Prohibits return of hard liquor saloons; gives State Board of Equalization sweeping power to wipe out undesirable establishments.

Safeguards employment of thousands in agriculture, business and industry.

Protects California's great tourist business, with its annual income of $200,000,000 in new money.

Will give California sane, enforceable liquor regulation, a law worthy of respect.

NO
PROPOSITION 13

This local option measure will bring back prohibition in its most drastic form. Gives dry minority power to vote your precinct, city or county "bone-dry."

Makes it criminal for you to buy, sell, transport or possess beverages of more than one-half of one per cent alcohol.

Will return prohibition, with the bootlegger, graft, crime and corruption—and will confiscate business properties such as breweries and wineries.

Raises a barrier to the rich tourist trade and will cause irreparable damage to California's economic recovery.

—THERE CAN BE BUT ONE CHOICE—

FRED E. STEWART, member of the State Board of Equalization, says:

"The present liquor law is utterly unworkable. We were given a tremendous responsibility and a law with no teeth in it. Proposition 2 clearly gives us the power to clear up prevailing conditions. The liquor business must be rigidly controlled. It cannot be so supervised if the present law is continued. It is essential that the people of California vote YES on Proposition 2."

VOTE YES ON PROPOSITION 2
VOTE NO ON PROPOSITION 13

SOUTH SAN FRANCISCO

Burlingame Youth Home From Jungles

From weird but high adventure and fantastic dangers overcome in the South American jungles, Nicol Smith came home to California yesterday.

The young Stanford graduate landed at Los Angeles. He is expected at the home of his mother, socially prominent Mrs. Robert Hays Smith of Burlingame, today. Last summer he set out from Paramaribo with Prof. Von Fickengin to explore the jungle and find material for a book.

Palomar Park Roads May Go Into System

Petition of residents of Palomar Park to have Scenic drive (now known as Palomar drive), Palomar drive and South Palomar drive included in the county road system was referred by the board of supervisors today to County Engineer James S. James.

Townsend Visit To S. F. Friday To Draw Crowd

Final preparations have been completed for the mass-meeting to be held on Friday night at the San Francisco Civic Auditorium, at which Dr. F. E. Townsend, originator of the old age revolving pensions movement, will be the featured speaker.

An overflow crowd is anticipated by K. O. Cuttle, state Townsend organizer. Outside loudspeakers will be erected.

Word has been received at the Townsend headquarters that delegations from Townsend clubs from as far south as San Jose will be in attendance. The fact that this marks the first visit of Dr. Townsend to the San Francisco bay region has intensified the desire of old age pension advocates to see him.

According to Cuttle, there are already more than 50 Townsend clubs in the San Francisco bay area with an average membership of 500. More than 6,000,000 people throughout the United States are enrolled as members in Townsend clubs.

Cuttle pointed out that a recent survey taken by the New York Herald-Tribune found that the sentiment among 500 newspaper editors was unanimous for old age pension legislation while the sentiment for unemployment insurance and other forms of recovery and relief measures was not half as pronounced.

Kathleen Norris, famous American writer will be a co-speaker with Dr. Townsend Friday night.

Burlingame Crash Injures Five Persons

BURLINGAME, Oct. 29.—Five prominent peninsula residents were recovering today after being injured in a head-on automobile collision on El Camino Real near Sanchez here yesterday.

Most seriously hurt was Miss Beatrice Eacret of Hillsborough, daughter of Godfrey Eacret, San Francisco jeweler, who incurred fractures of two ribs. She was riding with Maxwell McNutt Jr., son of Superior Judge McNutt.

Young McNutt escaped with cuts and bruises, as did the driver of the other car, Rudolph Rapsey, former San Bruno police judge, and his passengers, Mrs. Rapsey and Mrs. Jeanne Bird of San Bruno.

IRON-OXIDE Pest Control

It kills snails and slugs by contact, fertilizes, stimulates the soil and produces healthier vegetation.

Three Divorces Won In Swart Courtroom

Interlocutory decrees of divorce had been granted today by Superior Judge Franklin Swart to the following:

Mrs. Mary Garden Bovard against Richard H. Bovard, and the right to resume her maiden name of Mary Garden.

Mrs. Elna May Stevens from Frank James Stevens on the ground of willful desertion.

High Backers Deny Writing Pamphlet

Headquarters of the Walter High for supervisor campaign today disclaimed responsibility for a pamphlet, derogatory to High's opponent, which is reported to have been distributed in Redwood City.

In a statement issued here this morning, High's supporters declared they had been conducting a dignified campaign. The statement was signed by W. H. Eddy, director.

Arts and industries of the United States consume 1,500,000 ounces of gold annually. This is 10 per cent of the world's output and amounts to $50,000,000, making America the greatest consumer of gold in the world

ELECT—

EDWARD HOFFMANN

DISTRICT ATTORNEY

"The Harmony Candidate"

• • •

CAPABLE
PROGRESSIVE

• • •

HEAR HIM TONIGHT
RADIO KTAB
6:30 to 6:45

1. *When does ½ Off begin to apply?*
With the bill for electricity used after the December, 1934, meter reading.

2. *Who gets it?*
All domestic and commercial lighting customers who have been customers at the same location of last year.

3. *How do I benefit?*
Perhaps you have been using electricity sparingly. Now you can use TWO DOLLARS more of electricity each month than last year and it will only cost ONE DOLLAR.

4. *Must I add new appliances?*
NO. However, each new electric appliance you install that would normally take EXTRA Electricity at full rate can now operate at half cost.

5. *How do I apply?*
No action on your part is necessary. The rate automatically applies to all who qualify.

One-half Off means this: That the amount of money by which your bill for any one month at same location exceeds your bill for the corresponding month a year back will be discounted 50%.

6. *How does the rate work?*
Your monthly bill will show that the normal cost for any electricity used in any month in excess of amount used in corresponding month of previous year has been cut in half.

7. *Can you give an example?*
Say your bill in January, 1934, was $3.00. You install an electric refrigerator, an electric heater and a new lamp. Your January, 1935, bill is $6.00. You have EXTRA Electricity to the amount of $3.00. You get a ½ Off discount of $1.50. The bill you pay in January, 1935, will therefore be only $4.50.

8. *Does electric equipment installed through a Federal Housing Act loan give me this bargain rate?*
Yes. This rate also applies to the use of additional equipment you install. This should be an extra inducement to you for obtaining a F. H. A loan. See any banker.

9. *How long will ½ Off be in effect?*
Throughout our system for 12 months ending with the meter reading ending December, 1935.

10. *Why was this ½ Off rate made?*
To see if a bargain rate would cause a more liberal use of electricity, and take up part of the large power surplus in Northern California.

IMPORTANT!
It is hoped and expected by this company that this ½ Off rate will so stimulate use of electricity as to justify a reduction in the regular schedule.

CALIFORNIA!

Sinclairism—the program of Upton Sinclair and his radical associates—is Communism, cleverly disguised, but deliberately designed to Russianize California state government.

It is rooted in class hatred, fostered and fomented by radicals who boast of their hatred of American ideals and American principles of government.

IF IT IS SUCCESSFUL, IT WILL DESTROY CALIFORNIA'S BUSINESS STRUCTURE, BANKRUPT OUR FARMERS, OVERTHROW OUR ORGANIZED LABOR, CONFISCATE OUR HOMES, WRECK OUR INDUSTRIES AND ROB OUR EMPLOYED WORKERS OF THEIR EMPLOYMENT.

It is a definite, unmistakable attempt to establish a Soviet State in California—to be headed by a Godless Governor, who prates of Free Love, sneers at marriage, slanders our churches and looks forward to the day when (quoting Upton Sinclair's own words) "We may see in America that wonderful sight which we saw in Russia, when Christian monks assembled and burned their holy books"—the day of Revolution!

Your personal security is at issue—the welfare of your home and family; your American citizenship, your rights of self-rule and freedom of worship—your job and your independence.

Heart Attack Fatal To Plumber in M. P.

An autopsy performed on Tuesday disclosed that the death of Theodore R. Weise, 65, Menlo Park plumber whose lifeless body was found in a Menlo Park hotel early today, was due to a heart attack.

Weise's death was discovered at 7:30 o'clock by Theodore Morris, also a resident of the hotel, who told authorities he had noticed Weise on the floor of his room last night.

Weise, a native of Germany, is survived by two sisters, Anna and Clara Weise, and a brother and son whose names were not known. Funeral plans have not been completed.

High School Annex Contracts On File

Contracts for the $35,477 annex building at the South San Francisco High School were filed today with County Recorder T. C. Rice. Also on file were contracts covering the following work:

Heating, $4,497; miscellaneous iron, $1,225; sheet metal, $786.25; blackboards, $1,230; painting, $1,594; plastering, $3,590; brick work, $945 and shades, $96.50.

Einar C. Peterson is the general contractor.

Peter Kelley's Will On File Here Today

Naming John H. Kelly, 618 Ninth avenue, San Mateo, a brother, and Mary A. McGrath, 280 Crystal Springs road, Hillsborough, a sister, as executors, the will of Peter E. Kelly, former undersheriff of San Mateo county and pioneer San Mateo resident, was filed for probate here today. Kelly died October 17.

Value of the estate is not given. Kelly willed $500 to his brother, James J. Kelly, South San Francisco, and $500 to two friends, Mr. and Mrs. Maurice Coturri, Portland, Ore. Real property at Second and C streets, San Mateo, was willed to the executors, and $1500 in cash was left to each .

The remainder of the estate was left to nephews and nieces. Elinor Louise Falvey is counsel.

DEED PUT ON FILE

Lawndale Property Exchanges Hands in $30,000 Deal

Deed from the West Coast Life Insurance Company to the Louis Lester Company for real property near the Chinese Cemetery in Lawndale was on file today with County Recorder T. C. Rice. The canceled stamps indicated a consideration of $30,000.

VOTE "NO"

ON PROPOSITION No. 13

—the PROHIBITION or so-called local option proposal

It seeks to bring back to California an aggravated form of the Wright Act, repealed less than two years ago by a vote of 1,459,835 to 658,351.

IT WOULD MAKE YOU A CRIMINAL if you *possess, transport through*, sell, offer for sale or manufacture beverages containing more than ½ of 1% alcohol in a single dry precinct.

It would decrease State and National Revenue.

It would increase unemployment.

It would decrease purchases, such as barley, hops, lumber, etc.

CALIFORNIA TOLERANCE LEAGUE

Full Value FOR YOUR OLD GOLD!

THE JEWELRY you long ago discarded can be converted into a gratifying sum of money since the Government advanced the price of pure gold from $20.67 to $35 an ounce. Discarded rings, watchcases, chains, cuff links, dental gold (discarded crowns, bridges, etc.) and a score of other articles of solid gold, whether 10 carat or 18 carat or any grade between, contain when melted a surprising amount of pure gold and bring a worth while return at the new price.

Making the Truth More Interesting Than Lies

You will hear plenty of gossip in connection with the November 6th election—

You will hear more lies about things that never happened when an election is to be held than at any other season of the year.

Everybody knows this is true, but unless someone makes the TRUTH more interesting than the lies that have been told, we believe the falsehoods.

Election time is a harvest time for the gossips, for at election time they can whisper the falsehoods that they would not dare print.

But as a voter you want to know FACTS.

You want the plain truth and this statement is made to lay before your eyes Facts which every voter should know. Facts which will make the truth more interesting than lies.

Do you know that the 1933 San Mateo County Grand Jury spent months trying to find something "crooked" in connection with our Board of Supervisors.

And did you know that the Grand Jury report is on file at Redwood City, that it is a public record and that you can go and read it yourself?

And did you know that the Grand Jury could not find a single, solitary "crooked deal"?

Did you know that the 1934 San Mateo County Grand Jury followed the lead of the 1933 Grand Jury. And that the 1934 Grand Jury was unable to find a single, solitary "crooked deal"?

And did you know that when it comes to efficiency, attention to duty, and straightforward, business-like administration, that Supervisor Rosalie M. Brown has a record of accomplishments that the voters should be proud of?

Did you know that it was Supervisor Rosalie Brown, who did all of the preliminary work that contributed to the building of the Dumbarton Bridge?

Did you know that it was through her efforts that San Mateo County was able to play such an important part in the building of the Navy Base at Sunnyvale?

Did you know that it was Supervisor Brown who played such an important part in preventing San Francisco from dumping all of its garbage at Mills Field?

Did you know that it was Supervisor Brown who saved the property values at South San Francisco, San Bruno, Lomita Park, Millbrae and Burlingame from ruin? If Mills Field had been turned into a garbage dump, all of the property in the adjoining communities would have shrunk in value tremendously, and the health of the county would have been in jeopardy.

Did you know that the scenic Skyline Boulevard was made possible through her work, for the organization of Road District No. 1?

Did you know that she made the motion on the Board of Supervisors that started the organization of Road District No. 10, giving us the Junipero Serra Boulevard?

This magnificent new highway which cost hundreds of thousands of dollars, was secured at practically no expense to San Mateo County. Securing this big highway improvement at no expense to the taxpayers was a notable achievement.

Did you know that it was Mrs. Brown who promoted the construction of the modern new San Mateo County Community hospital and that with her unusual knowledge of building construction and costs, she saved the taxpayers of the entire county thousands upon thousands of dollars?

Did you know that her work in connection with the building of the county hospital has made it possible for the poor people and the unemployed to receive medical attention and care which all of us desire extended to every human being in the county, who is without funds?

It was Supervisor Brown who insisted that the old folks who are poor and unable to earn a living for themselves should be provided with a safe home that would not be a firetrap; and to her belongs the credit for the building of the modern and comfortable old folks home on the County Farm at Crystal Springs.

ROSALIE M. BROWN

Supervisor of the Second District, San Mateo County

She helped in bringing about the new charter for San Mateo County, and now that we have it, she is insisting that every county employe must render efficient service to the people or "get out."

She has the courage to face every problem as it arises and never attempts to sidestep those unpleasant tasks which the politicians gossip about, because she refuses to follow their selfish programs.

She has assisted the Chambers of Commerce bodies throughout the county in helping to develop the flower industry; this being one of the most important industries in the state, bringing millions of dollars to San Mateo County every year.

She provided work for unemployed men in her district many months before the Unemployment Committee was organized.

As soon as government money was made available to help take care of the unemployed, it was Mrs. Brown who suggested that they be put to work in the development of the San Mateo County Memorial Park

The gossipers and politicians cannot say anything bad about her character or her honesty, so they say: "We don't want a woman on the Board of Supervisors!"

Her record of accomplishments proves beyond any question of doubt that she has the ability, the courage and the fighting spirit for everything that is decent in government.

Already having an experienced supervisor who has demonstrated her ability and whose integrity is beyond question, isn't it the most sensible thing we can do, to let "well enough alone!"

When men of the county are asked by their friends to support a woman, you may be assured it is because she has ability.

And, if the women of the county only knew how Mrs. Brown is looking out for the human needs in the county, they would leave nothing undone to see that her re-election might be assured.

To object to her re-election simply because she is a woman, is, indeed, silly.

There should be at least one woman on the board—and without Mrs. Brown, there would be none.

It is distasteful to Mrs. Brown to brag or boast of her accomplishments, but the facts being undeniable, we must tell you our story.

Many of the members of past Grand Juries have said: "Rosalie M. Brown is the best man on the Board of Supervisors." This statement is not quoted in any way to belittle other members of the board, but the fact remains, "that she knows what to do, and when to do it, and SHE DOES HER DUTY."

Mrs. Rosalie M. Brown is no politician. She has no claptrap bandwagon theories. She uses common sense, and listens to anyone who wishes to confer with her. She is human and at the same time she never forgets her duty and responsibility to the voters and taxpayers of the county.

She says quite frankly, "when the voters elected me to the Board of Supervisors, they felt that I would not only protect their interests, but that I would also represent ALL of the people in the county, and to the very best of my ability. I have performed my duties, and if I am re-elected, I will continue to do all of those things which I know should be done."

You may not know that Mrs. Brown owns her own automobile and pays for every gallon of gas she uses out of her own personal funds. The gossipers would have you believe that she rides in a golden carriage at the expense of the county and that is just another one of those "little fibs."

Rosalie M. Brown has ever fought for a square deal for labor and for the promotion of home industry.

Mrs. Brown pioneered and fought unceasingly for the redistricting of San Mateo County, giving all sections equal representation on the Board of Supervisors.

No official who has ever served San Mateo County has a more honorable record and if you believe in "Good Government," you will not only vote for her yourself, but you will urge all of your friends to vote for her next Tuesday, at the General Election, November 6th.

NOTICE OF SALE OF REAL PROPERTY
No. 6463

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the matter of the estate of ARTHUR VOIGT, also known as ARNO ARTHUR VOIGHT, Deceased.

NOTICE IS HEREBY GIVEN that the undersigned administrator of the estate of Arthur Voigt, also known as Arno Arthur Voight, deceased, will sell at private sale for cash lawful money of the United States to the highest and best bidder upon the terms and conditions hereinafter set forth, subject to confirmation thereof by the above entitled court, on or after the 13th day of November, 1934, all the right, title and interest which the said Arthur Voigt, alias, deceased, had in or to the real property hereinafter described and all the right, title and interest which the estate of said deceased has by operation of law or otherwise acquired in and to said real property.

Said property is particularly described as follows, to-wit:

All those certain parcels of land situated in the County of San Mateo, State of California, particularly described as follows:

Beginning at the point of intersection of the Northerly line of Bella Vista Avenue and the Easterly line of Lot numbered TEN (10) in Block numbered TWENTY-ONE (21) (extended northerly), as said Avenue and said lot are shown on the Map entitled "Revised Map Salada Beach San Mateo Co. Cal.," which was filed in the office of the Recorder of San Mateo County, State of California on August 5, 1907, in Liber 5, of Maps at page 20, running thence Northerly along said line of Lot numbered TEN (10) (so extended) 418 feet; thence at a right angle Easterly 209 feet; thence at a right angle Southerly 418 feet to Northerly line of Bella Vista Avenue; thence at a right angle Westerly along the last named line 209 feet to the point of beginning.

TOGETHER with Lot 13 in Block 21 as designated on the map entitled "Revised Map Salada Beach San Mateo Co., Cal.," which map was filed in the office of the Recorder of the County of San Mateo, State of California, on August 5, 1907, in Liber 5 of Maps at page 20.

All bids must be in writing, accompanied by ten per cent (10%) of the purchase price bid, the balance of the purchase price to be paid in cash upon confirmation of sale by the above entitled court and upon delivery of a deed, title to be searched at the expense of the purchaser, taxes to be prorated from date of delivery of deed.

Bids must be left in the office of Edmund Scott, Attorney for said administrator, whose address is County Court House, Redwood City, San Mateo County, California.

Dated: November 1, 1934.

J. C. McGOVERN,
Administrator of the estate of Arthur Voight, also known as Arno Arthur Voight, Deceased.

EDMUND SCOTT,
Attorney for Administrator.

Two Valuable Dogs Are Feared Stolen

HILLSBOROUGH, Oct. 31.—Mrs. F. S. Fenton, 354 Parrott drive, reported last night to police that two valuable English bulldogs were missing after they had been last seen playing about the yard. Mrs. Fenton thought the animals had been stolen.

30 Tires Punctured In Halloween 'Joke'

SAN BRUNO, Oct. 31.—A 15-year-old boy was questioned here today by police after he was said to have admitted puncturing at least 30 automobile tires with an ice pick last night.

Police Chief William Haher said he received eight different complaints last night of mysterious tire punctures, one motorist reporting five punctures on one car. The boy, a student at the San Bruno grammar school, was arrested after an investigation.

He told police that he was "just playing Halloween jokes."

Ancient Mexicans used to indulge in an intoxicating brew called teonanactl during certain festivals. The drink was made from a special kind of mushroom

"Let's quit killing" is the slogan adopted for a traffic safety program in Portland, Ore. City council gave $200 toward the campaign expenses.

Edward Hoffmann

Candidate for DISTRICT ATTORNEY
Receives Official Endorsement of
Daly City Council:

RESOLUTION NO. 434

"Resolved by the City Council of the City of Daly City, County of San Mateo, State of California, that:

"WHEREAS, Edward Hoffmann, who for the past seven years has acted as Assistant City Attorney of Daly City, has served the City capably and efficiently and has discharged his duties promptly and to the complete satisfaction of the members of the City Council; and

"WHEREAS, Edward Hoffmann is a candidate for the office of District Attorney of San Mateo County at the election to be held Tuesday, November 6, 1934; and

"WHEREAS, said City Council firmly and confidently believes that Edward Hoffmann possesses the necessary ability and training, and if elected will honestly, efficiently and promptly discharge the duties of the office of District Attorney, and loyally and capably serve the County of San Mateo in such capacity.

"NOW THEREFORE we the members of the City Council of Daly City do hereby endorse the candidacy of Edward Hoffmann for the office of District Attorney of the County of San Mateo, State of California.

"AND BE IT FURTHER RESOLVED that we recommend to the voters of San Mateo County that they cast their ballots in favor of Edward Hoffmann for the office of District Attorney and thereby insure to the people of this county the honest, capable and efficient administration of the affairs of that office during the coming four years.

"I hereby certify that the foregoing resolution was duly and regularly passed and adopted at a regular meeting of the City Council of the City of Daly City held on the twenty-second day of October, 1934, by the following vote, to-wit:

"Ayes and in favor thereof, Councilmen Selmi, Sundermann, Twesten, Sahey, Smith.

"Noes, Councilmen, None.

"Absent, Councilmen, None."

Signed: B. C. ROSS,
City Clerk.
